HACETTEPE UNIVERSITY
DEPARTMENT OF MECHANICAL ENGINEERING

FACULTY POSITION ANNOUNCEMENT

IN

THERMAL-FLUID SCIENCE/ENGINEERING AND/OR ENERGY CONVERSION SYSTEMS

The Department of Mechanical Engineering at Hacettepe University in Ankara, Turkey invites applications for faculty positions at the Assistant Professor level in all areas of thermal-fluid science/engineering and/or energy conversion systems to start in Spring 2020 or later.

The Department consists of 15 full time faculty members, serving approximately 300 undergraduate majors and 150 graduate students. The department currently offers B.S., M.S. and Ph.D. programs. The medium of instruction at all levels is English.

Duties include undergraduate and graduate level teaching, advising undergraduate students, supervision of MS and PhD theses and research. Applicants must be able to teach core mechanical engineering courses in both undergraduate and graduate levels. Excellent communication skills in English are essential. Applicants must also have a strong research plan in their areas of expertise.

Applications should include detailed curriculum vitae, statements of teaching and research interests and addresses of two or more individuals (one of them is preferably applicant’s PhD supervisor) who can provide letters of recommendation.

Please send all applications for initial evaluation via e-mail to:
